Cumberland Presbyterian Church

Greetings from Kirksville, Mo. First Presbyterian Church

Dear Aunt Mary: We gave a concert here the other night. But it was in a large normal school called at school next morning and they asked me to recite before whole school so I did.

They seemed to appreciate it very much. Our concert night before last was a grand success. I'm enjoying the trip so much. It is just delightful. Through Kansas I saw a drop of rain since I left Boston. I am glad you are better. Love to you. Emma
